Dear Jay,

Thanks for Wednesday's call. I think it's going to be a great trip.

TECRO tells me there's no flight leaving D.C., via LAX, for Taiwan that Friday night, October 14th. However, there is a flight leaving D.C. that Saturday morning, via LAX, that gets into Taipei on Sunday, October 16th at 8:20pm. But if you really want to get into Taipei on Sunday morning, you can leave from either Newark or JFK late Friday night (which requires a quick flight up there from D.C.). Please let us know soonest which option you prefer.

June 22, 2006

The Honorable Condoleezza Rice
Secretary of State
United States Department of State
2201 C Street, NW
Washington, DC 20520

Madam Secretary:

As you know, the Republic of China (Taiwan) and the United States have enjoyed close and mutually beneficial relations for many decades. Our shared commitment to democracy and free markets, along with our efforts to promote peace and security in the Asia-Pacific region and beyond, are enduring foundations of a relationship that can only strengthen over time.

For these reasons and pursuant to Title 22, Part 64 of the Code of Federal Regulations and Section 108A of the Mutual Educational and Cultural Exchange Act of 1961, as amended [Public Law 87-256] (22 USC 2458a), I am writing on behalf of my government to apply for the establishment of a Congressional Taiwan Study Program with the United States.

I am sure you are aware that the Mutual Educational and Cultural Exchange Act authorizes the Department of State to enter into agreements with foreign governments in furtherance of the Act's main purpose, i.e. to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries by means of educational and cultural exchange.

My government is seeking to establish a program with precisely this intent. We would propose that such a program consist of periodic visits by Members of the U.S. Congress and their staff to Taiwan, each of which would be for approximately 7 days. Once established, we would hope to host up to 200 individuals annually under this program. As per the restrictions described in Public Law 87-256, no grants made under this program would provide assistance with respect to any expenses incurred by or for any member of the family or household of any participating federal employees.

The goals of a Congressional Taiwan Study Program would be to strengthen mutual understanding between leaders from both our countries, expose U.S. leaders to the developments and achievements taking place in Taiwan, and contribute to the further growth of our robust and positive relations with the United States. We would propose to do this by arranging meetings, roundtable discussions, site visits and other relevant activities for our visitors, allowing them to engage with Taiwanese government and

private sector leaders as much as possible in the course of their stay. We would also seek to provide visitors under this program with an understanding of our rich historical and cultural heritage, a goal uppermost in the minds of those who authored the Mutual Educational and Cultural Exchange Act.

A program of this nature would complement and build upon other U.S.-Taiwanese initiatives, most notably our longstanding Fulbright Program. This program, established with the generous support of your government in 1964 and continuing to this day, laid the foundation for educational and cultural ties that have contributed greatly to our mutual trust and understanding. The creation of a new Congressional Taiwan Study Program for Members of Congress and their staff would further advance this worthy goal, and permit my government to reciprocate for the commitment yours has demonstrated over the years.

At a time when the promotion of democratic values, practices and institutions is of significant importance to the United States and its allies, the benefits of establishing educational and cultural exchange programs with like-minded partners is immeasurable. Formally establishing such a program between our governments at this time would, in my estimation, be an appropriate and meritorious way in which to further strengthen and broaden our relations.

Our Coordination Council for North American Affairs (CCNAA), Headquarters of Taipei Economic and Cultural Representative Office (TECRO), would assume responsibility for the implementation of this program, and TECRO in Washington, DC (4201 Wisconsin Avenue, NW, Washington, DC 20016, Tel: 202-8951800, email: tecro@tecro.us) would serve as its point of contact in the United States.

As for Taiwan's eligibility to apply for this program, Section 4(b)(1) of the Taiwan Relations Act [22 USC 3303(b)(1)] states that "Whenever the laws of the United States refer or relate to foreign countries, nations, states, governments, or similar entities, such terms shall include and such laws shall apply with respect to Taiwan."

I appreciate your consideration of this application to establish a Congressional Taiwan Study Program. Please feel free to contact me if you have any questions or require more detailed information about this application.

With warmest regards,

Sincerely yours,

David Tawei Lee

Dear Mr. Sours,

My name is LaShaun Lesley, a colleague of Vito Fossella's. As you may know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

Pursuant to Congressman Fossella's conversations with Congressman McCotter regarding possible congressional travel to Taiwan and our understanding that Rep. Gingrey is also interested in traveling to Taiwan, please see attached correspondence between former U.S. Under Secretary of State for Public Diplomacy Karen Hughes and former Taiwan Ambassador David Tawei Lee regarding the Mutual Educational and Cultural Exchange Act (MEACA) of 1961. Taiwan has qualified for MEACA since 2006. As such, any Taiwan visit by Congressman Gingrey could be paid for through the MEACA program, i.e. using Taiwan funds that are administered by the U.S. State Department.

If Congressman Gingrey is interested in visiting Taiwan, please let us know how he feels about having it paid via the MEACA program. If not, we can explore other options. Thanks so much in advance for your assistance. We are proposing travel during spring recess.

Best wishes,

Hello Theresa, I am a registered foreign agent under FARA and represent the government of Taiwan. I have been discussing the possibility of the Congressmen traveling to Taiwan for a Diplomatic visit. Here is some information I wanted Brian to see. I will see the Congressman on Thursday and will discuss this further with him. Thanks Joel

Dear Mel, Joel and Robert,

Thanks to Vito and LaShaun, we're likely only hours away from learning exactly which days Rep. Maloney will travel to Taiwan.

Please see attached the two documents that apparently *sealed the deal* with Rep. Maloney's office. The first is a DRAFT itinerary that can be adjusted to any Member's interest and needs. The other is a letter from former Under Secretary of State for Public Diplomacy Karen Hughes to former Taiwan Ambassador David Lee, welcoming Taiwan to the State Department's Mutual Educational and Cultural Exchange Act (MEACA) program. MEACA essentially means Members' travel can be paid for with Taiwan funds that are administered by State. In other words, no U.S. taxpayer dollars are used, but the funds are doled out by U.S. officials. It's a no-lose public relations proposition for Members who are perhaps weary of a public backlash against foreign travel.

Mel and Joel, can you share these two documents with Reps. Towns and Higgins respectively? Robert, can you do likewise with your contact(s) in Sen. Vitter's office? FYI, Sen. Vitter's in the Senate Taiwan Caucus, and generally signs pro-Taiwan letters, resolutions, etc. p.s. PLEASE remember to label/log your e-mails, as per my Sen. Shelby sample below, thanks.

Best wishes,

Dear Ms. Caldwell,

My name is Sean King. I work for the former U.S. Senator from New York, Alfonse D'Amato. Our firm, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

Might Senator Shelby ever have a moment to meet with Taiwan Special Representative to the United States, Ambassador Jason Yuan? Ambassador Yuan would like to discuss U.S.-Taiwan relations, as well as Taiwan's evolving relationship with mainland China. Taiwan is Alabama's 22nd-largest export market. Alabama exported \$137.8 million in exports to Taiwan in 2008. Huntsville, AL has a sister city relationship with the Taiwan city of Tainan, while Mobile has the same with southern port city Kaohsiung.

Please let us know if Senator Shelby might be willing to meet Ambassador Yuan at Senator Shelby's convenience. If so, I'll ask a member of Ambassador Yuan's staff to contact you directly. Thanks very much in advance for your consideration.

Best wishes,

Hey Sean, Brad shot me a note about the F16 letter you were interested in having Bill sign onto. Wanted to let you know I emailed Jeremy in Rep. Berkeley's office today and we're on board. All set!

In the future, feel free to make me your point of contact for all things defense. I've handled HASC for Rep. Owens for a couple of years and can probably help you out. Stay in touch, and if you're up on the Hill feel free to drop by. I feel like we may have met at one point but it's been awhile. Enjoy the week, -JB

Dear Richard,

My name is Sean King. I work at Park Strategies, a business advisory firm managed by former U.S. Senator Alfonse M. D'Amato of New York. As per above, Park Strategies, LLC, Park Strategies Managing Director Senator Alfonse M. D'Amato, and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

My colleague, Kraig Siracuse, and I spoke yesterday with Senator Kirk about his perhaps visiting Taiwan one day. He said he couldn't make it in Calendar Year 2011, but that he might enjoy visiting there in January, perhaps in conjunction with the U.S.-China Working Group. He even mentioned asking Senator Lieberman to join him. I'm just reaching out to you on the matter, and look forward to keeping in touch with you on it. Thanks, take care.

Dear Mary,

Long time no "talk." We last communicated in March 2009 re the 30th anniversary of the Taiwan Relations Act (TRA). Senator D'Amato plans to follow up his attached letter to Senator Inouye with a call, but I first wanted to check in with you on it. What's more, I know the Senate's out this week. Do you maybe five minutes to discuss? By the way, I'll be in D.C. next Wednesday, June 8th if you're available for a quick hello.

Dear Lonnie,

I'm sure you're justifiably focused on the debt ceiling right now, but I just wanted to let you know the attached F-16 letter that we've previously discussed is going out tomorrow. And as of yesterday, I didn't see Congressman Berg's name among the 166 Members below who have so far signed it. And as per furthest below, the need for a robust Taiwan air defense is as acute as ever.

If Congressman Berg wishes to sign the letter, which we hope he does, please contact Jeremy Kadden, jeremy.kadden@mail.house.gov, in Rep. Shelley Berkley's office today at (202) 225-5965.
